Concordia College
Edmonton, Alberta

The Lutheran Church - Missouri Synod

Science-Library Building

This is Concordia's newest building. It contains the library, a science classroom and a laboratory, the administrative and faculty offices, a study hall and students' lounge.

The science-library building was dedicated to the glory of God this spring, and was in use during the closing weeks of the school year.

Traditions *that live*

Strong and honourable traditions provide the foundation of firm training in leadership expressed today in the motto of the three Canadian Services Colleges: Truth-Duty-Valour.

Allied to the prestige of the past is advanced education at university level given by these colleges to the officer-cadets of Canada's armed forces. Carefully selected high school graduates are trained for challenging professional careers as officers in the Navy, Army or Air force, for the responsibility of holding the Queen's Commission.
